This discount is applicable to children of Christian Ministry Workers of any denominational affiliation. The discount is 40% and is applicable to tuition fees only. Part-time Christian Workers are eligible for a pro-rata discount according to their employment load. Application in writing together with supporting documents of employment as a Christian Ministry Worker must be supplied at the point of enrolment.

Bursaries

The School does not offer bursaries at point of enrolment. Bursaries may be offered from time to time to families that already have children enrolled in the School and who meet temporary financial hardship. Examples of such hardship include, but are not limited to, death of a spouse, unforeseen loss of employment.

Notes

- The Schedule of Fees and Charges is set each year by the School Board as part of the annual budgetary process. The Board reserves the right to vary these at any time by written advice.
- The Service Charge covers classroom consumables, textbooks, photocopying, excursions and sports including transport.

Payment of Fees and Charges

Parents are to pay all Fees and Charges in advance, at the end of the first week of each term, except Fees and Charges on amended accounts and accounts raised for mid-term enrolments, which the Parents are to pay within seven days from the date of the invoice.

There are two options for payment:

1. Direct debit (preferred)
2. Credit card (Visa and Mastercard)

If Parents fail to pay an account for Fees and Charges within 21 days of the due date they will be liable to pay an overdue charge which reflects the administrative and financial cost to the School in collecting the outstanding Fees and Charges. If an account for Fees and Charges is not paid in full within 60 days from its due date, the Student's enrolment may be suspended and the Principal may without further notice refuse entry to the Student and/or terminate the Student's enrolment.

Withdrawal of a Student

Parents are to give at least one full term's notice in writing to the Principal before terminating their child/ren's enrolment. If the Parents do not give sufficient notice of termination of enrolment, they will be required to pay to the School one term's school fees. Parents agree that this amount is a genuine estimate by the School of the loss that it would suffer as a consequence of insufficient notice of termination of the Student's enrolment.

Voluntary Contributions

International Chinese School Building Fund/Library Fund

The School has established a Building Fund and Library Fund. Most independent schools have such funds to assist with acquiring, constructing, and maintaining school buildings and library resources. These funds are vital to the future development of the School. Voluntary donations of \$2 or more to the Building or Library Fund are tax deductible.
